

Wireless Use

Wireless Internet Access is available within the Library for use.

- Printing is not available using the Library's wireless connection.
- Electrical outlets for plugging in laptops and other devices are available throughout the library.
- If you are bringing your own laptop or other device and wish to use our Internet connection you will need:
 - to agree to abide by the **Library's Internet Access Policy**;
 - a WiFi-compliant 802.11 b/g wireless Ethernet device installed on your device or WiFi capabilities; and
 - headphones if you plan to use audio files.
- Library patrons should use Patron WiFi and use the key: kinggeorge
